Section I – Statement of Purpose

Pursuant to Article XVII-A, § 1774.1-A, of the Act of April 9, 1929, P.L. 343, as amended (The Fiscal Code) the sum of $3,000,000 was made available to the Commonwealth Financing Authority (the “Authority”) for water and sewer and projects with a cost of not less than $50,000 and not more than $150,000.

Section II – Eligibility

A. Eligible Applicants

Any of the following entities who will own the proposed project are eligible to apply for a grant.

1. A Municipality includes any city, township, borough, town, county, or home rule

2. A Municipal Authority includes any authority created by a municipality pursuant to the act known as the "Municipal Authorities Act"

B. Eligible Projects

Eligible projects are those which have a total project cost of not less than $50,000 and not more than $150,000 and involve the construction, improvement, expansion, repair, or rehabilitation of a water supply or sanitary sewer system which is owned and maintained by an eligible applicant. An eligible project also includes consolidation or regionalization of two or more water supply systems or sanitary sewer systems which are managed or operated as an integrated system regardless of whether the system is physically connected.

C. Eligible Use of Funds

Funds may be used by the applicant to pay for any of the following project costs:

1. Construction, improvement, expansion, repair, or rehabilitation of a water supply system or sanitary sewer system.

2. Installation of security measures.

3. Acquisition of land, rights-of-way and easements necessary to construct an eligible project.

4. Design costs not to exceed 10% of the grant amount.

5. Inspection costs related to the project.

6. Permit Fees.

7. Costs to secure appropriate bonds and insurance.

8. Administrative costs of the applicant that are necessary to administer the grant. Administrative costs will include advertising, legal and audit costs as well as documented staff expenses. Administrative costs shall not exceed 2% of the grant.

Ineligible costs include but are not limited to fees for securing other financing, interest on borrowed funds, and tap in fees.
Section III – Program Requirements

A. Matching Fund Requirement

An eligible applicant shall provide matching funds of not less than 15% of the total eligible project cost. The cash match may come from any other source including PENNVEST.

B. Planning Approvals

All recipients of funding are required to demonstrate in the application that the project is in compliance with regional, county and local comprehensive plans as evidenced by a letter from the appropriate local planning agency. If inconsistencies between plans exist, preference will be given to the approved county-level plans.

C. Other Requirements

1. Conflicts of Interest
   An officer, director, or employee of an applicant who is a party to or who has a private interest in a project shall disclose the nature and extent of the interest to the governing body of the applicant and may not vote on any action of the applicant concerning the project nor participate in the deliberations of the applicant concerning the project.

2. Nondiscrimination
   No assistance shall be awarded to an applicant under this program unless the applicant and project user certify to the Authority that they shall not discriminate against any employee or against any person seeking employment because of race, color, handicap, national origin, age or sex. All contracts for work to be paid with assistance must contain the commonwealth's official nondiscrimination clause.

3. Project Records
   The applicant must maintain full and accurate records with respect to the project and must ensure adequate control over related parties in the project. The Authority requires access to such records, as well as the ability to inspect all work, invoices, materials, and other relevant records at reasonable times and places. Upon request of the Authority, the applicant must furnish all data, reports, contracts, documents, and other information relevant to the project.

4. Pennsylvania Prevailing Wage Act
   All of the construction work associated with the project may be subject to the Pennsylvania Prevailing Wage Act, as determined by the Pennsylvania Department of Labor and Industry.

5. Proof of Notification
   The applicant must provide proof that the county and host municipality or municipalities have been notified about the intended project.

6. Project Audit
   For projects receiving grant funds in excess of $100,000 an audit from a Certified Public Accountant (CPA) licensed in Pennsylvania listing all project costs must be submitted to the Authority within 90 days after expiration of the grant. In the opinion section of the audit, a statement shall be made certifying that funds were disbursed in accordance with the terms of the grant agreement.
7. **Bidding Requirements**
   Applicants must comply with all applicable federal, state, and local laws and regulations dealing with bidding and procurement.

8. **Guideline Provisions**
   The PA Small Water and Sewer Program guidelines provisions may be modified or waived by the Authority unless otherwise required by law.

**D. Fees**

The Authority charges a $100 non-refundable application fee for applications. Application fee is due at the time of submission.

---

**Section IV – Grants**

1. Grants are available for projects with a total cost of not less than $50,000 and not more than $150,000.

2. To be eligible for reimbursement, project costs must be incurred within the time frame established by the grant agreement.

**Section V – Application Procedures**

To apply for funding, the applicant must submit the electronic on line DCED Single Application for Assistance located at www.esa.dced.state.pa.us. Once submitted, please print one (1) copy of the application, and send with the required supplemental information (please see Appendix I of these guidelines) via US Mail along with the signature page. Please reference the Web ID number on any documents sent with the signature page. An application review schedule for the Authority meetings can be found on the www.newPA.com website.
Section VI – Application Evaluation

All applications for financial assistance will be reviewed by the Authority to determine eligibility and competitiveness of the proposed project using the following criteria:

1. Project readiness.

2. Project is consistent with all local, state and regional comprehensive, regional resource management or economic development plans.

3. The cost-effectiveness of the proposed project when compared to other alternatives.

4. Whether the construction, repair [or consolidation] of a water or sewer project will enable customers of the system or regional system to be more efficiently served.

5. Whether the project serves existing populations or whether the project is intended to serve new development.

6. Whether the project will result in a substantiated positive economic development impact as evidenced by job creation and private investment.

7. The ability of the applicant to secure funding for the project.

8. The proactive implementation of practices to promote sustainability of the system such as asset management, water conservation, energy efficiency, and the use of nonstructural alternatives to minimize the amount of storm water that infiltrates into a system.

Section VII – Procedures for Accessing Funds

Following approval of an application by the Authority, a commitment letter will be issued to the applicant explaining the terms and conditions of the grant. The commitment letter must be signed and returned to the Authority within 45 days of the date of the commitment letter or the offer may be withdrawn by the Authority.

Following the acceptance of an offer by the applicant, a grant agreement will be sent by the Authority to the applicant for execution. The Authority will release funds to the applicant at not less than 30-day intervals.
